

## List of Non-Plastic Straw Distributors Serving Long Island

1) [www.thepaperstrawgirl.com](http://www.thepaperstrawgirl.com)

Sources paper straws exclusively for New York state.. She does her diligence in making sure the straws maintain their integrity, are non-toxic, and is more than willing to work alongside restaurants to make the switch into their business plans. For assistance through the transition process from an expert who has already done the research for you, contact Meghan Molloy at [meghan@thepaperstrawgirl.com](mailto:meghan@thepaperstrawgirl.com) or you can go to her website and order at [www.thepaperstrawgirl.com](http://www.thepaperstrawgirl.com)

Meghan also distributes to various businesses throughout Long Island (several Huntington restaurants included) through Lessings Hospitality. Jen Cantin is the contact person there. You can contact her directly at [jen@lessings.com](mailto:jen@lessings.com) or order at [www.lessings.com/corporate/restaurants](http://www.lessings.com/corporate/restaurants)

2) [www.aardvarkstraws.com](http://www.aardvarkstraws.com)

The most popular because of their superior product, unfortunately, the company was recently sold and their straws are currently on back order until some kinks are ironed out. You can start with another company until their product becomes available.

3) [www.barboy.mybigcommerce.com](http://www.barboy.mybigcommerce.com) or call 516-293-7155 (Farmingdale) or 631-728-7100 (Hampton Bays)

Barboy of Long Island sells the brand Prime Wave, part of Green Wave, earth friendly tableware.

4) <https://www.vegwareus.com/> Plant-based and renewable straws and other plant-based catering disposables. See their online catalog for pricing and details.

5) [www.haystraws.com](http://www.haystraws.com)

6) [www.pastastraws.org](http://www.pastastraws.org)

This list is available at [www.GreenInsideandOut.org](http://www.GreenInsideandOut.org)
